High Wycombe Campus

You'll find us at: High Wycombe Campus, Queen Alexandra Road, High Wycombe, Buckinghamshire HP11 2JZ

If you need to ask anything before you visit, please call 01494 522 141.

Our main university campus is in Queen Alexandra Road in the centre of High Wycombe. If you're visiting, we're extremely easy to find. We're in the big blue building just opposite the Eden Centre.

The campus is easy to get to by bus or train, with direct links into London. If you fancy cycling, there are secure bike shelters on site for students, staff and guests. And, if you're coming by car, we're just a short drive from the M40, and a short stroll from the main public car parks.

Travelling by train?

If you arrive into High Wycombe by train, it's a short walk through town from the station to our campus. Chiltern Railways run the line and offer a service from London to High Wycombe in just 30 minutes.

Contact Traveline on 0871 200 2233 for details of trains to High Wycombe.

Travelling by bus?

If you're arriving by bus, again it's just a short walk from the bus station to the campus. There's a bus stop outside our building – the Council's park and ride service stops here.

Contact Traveline on 0871 200 2233 for details of buses and coaches.

Travelling by car?

Our High Wycombe Campus is just off the M40 motorway. You'll see our building (the big blue one) as you approach the A40/A404 roundabouts in the centre of town.

If you're coming by car, we recommend using the public car parks across the road in the Eden Centre and the Wycombe Swan. Wycombe Council also operates a park and ride service, with a campus bus stop.
